Respondents.)	
_____)	

This matter is before the court on Petitioner's *pro se* application for writ of habeas corpus, filed in this court pursuant to 28 U.S.C. § 2241.

In accordance with 28 U.S.C. § 636(b) and Local Civil Rule 73.02 (B)(2)(c), DSC, this matter was referred to United States Magistrate Judge Joseph R. McCrorey for pre-trial proceedings and a Report and Recommendation ("Report"). On May 31, 2011, the Magistrate Judge issued a Report recommending that this matter be dismissed without prejudice and without requiring a response from Respondent. The Magistrate Judge advised Petitioner of the procedures and requirements for filing objections to the Report and the serious consequences if he failed to do so. Petitioner has filed no objections and the time for doing so has expired.

The Magistrate Judge makes only a recommendation to this court. The recommendation has no presumptive weight, and the responsibility to make a final determination remains with the court. *See Mathews v. Weber*, 423 U.S. 261 (1976). The court is charged with making a *de novo* determination of any portion of the Report of the Magistrate Judge to which a specific objection is made. The court may accept, reject, or modify, in whole or in part, the recommendation made by

the Magistrate Judge or recommit the matter to the Magistrate Judge with instructions. *See* 28 U.S.C. § 636(b).

After reviewing the record, the applicable law, and the Report and Recommendation of the Magistrate Judge, the court agrees with the conclusion of the Magistrate Judge that this matter should be dismissed without prejudice. Accordingly, the court adopts and incorporates by reference the Report.

The petition is dismissed without prejudice and without requiring Respondents to file a return.

IT IS SO ORDERED.
